

LAMPS FOR HAND-HELD DIAGNOSTIC INSTRUMENTS

LAMPS AND BULBS FOR:

- Oscopes
 - Ophthalmoscopes
 - Laryngoscopes
 - Retinoscopes
 - Dermatoscopes
 - Examination Lights
- ...and many more.**

Hand-Held Diagnostic Instruments require lamps which combine brightness to give true tissue colour and good service life.

Lamptech offers a vast array of replacement bulbs for most makes of equipment including:

Effner, Foregger, Gowlands, Heine, Jackson, Keeler, Miller, Penlon, Propper, Reister, Rimmer, Welch Allyn and more.

Pictures are provided for reference only & are not necessarily to scale.
